

Recycling with Norwood

All you need to do is request a freepost mailing bag by calling 08712 50 50 50 or visiting www.recyclingappeal.com/norwood and we'll do the rest.

Your phones and cartridges go to a recycling centre, and each item will earn valuable funds to support Norwood's services - as well as helping protect the environment. You can request more mailers if you need them, using the same contact details, or if you'd like a box for your workplace to collect mobiles and cartridges we can supply this too.

If you would like to know more about Norwood's recycling campaign please call Melissa Klein on 020 8420 6823 or email melissa.klein@norwood.org.uk
