

How you can help

Fundraising is vital to Norwood as many of our services receive little or no government funding at all. We need to raise £9m every year, so that our services can continue to operate and meet the growing demands of the community.

Support Norwood by sponsoring or attending one of our world-class [Corporate](#), [Community](#) and [YN](#) events.

Our events offer unrivalled entertainment value and unbeatable networking opportunities for our supporters.

Every donation is important to us, so whatever the amount, you can be assured it will make a difference!

There are many ways you can help us:

- Take part in our UK and International [Challenges](#)
- Remember Norwood next time you [Celebrate](#) a special occasion
- Donate items you no longer need to our [Charity Shops](#)

-
- [Donate](#) Norwood relies heavily on your generosity and continued donations. Whatever you are able to give, your contribution makes a significant difference to the children, families and adults that we support.
 - [Events](#) Norwoods fundraising events are usually divided into three categories, Corporate, Community & YN.
 - [Challenges](#) Norwood's Challenges Calendar is packed full of exciting and challenging sporting fundraising events.
 - [YN](#)
 - [Patronage](#) We rely on the support of our Friends, Patrons & Benefactors who supported our overall fundraising effort in 2007 at a level of £3.7 million.
 - [Trusts](#) The gifts and investments from the Trust & Foundation team that support Norwood is part of our Patronage programme.
 - [Legacies](#) By leaving a gift to Norwood in your will, our important work can be continued long after you die. All legacies – small or large – help to finance Norwood's work.
 - [Celebrate](#) Celebrate enables you to mark a birthday, anniversary or any special event by making a donation to Norwood to honour the occasion. In this way you can share your special occasion with the thousands of children and families whom we support through our services.
 - [Volunteering](#) Volunteering Services recruits and supports the needs of over 800 volunteers who work across the organisation. Volunteering opportunities exist in our administration centres, shops, residential homes, family centres, education centres and other services.
 - [Annual Raffle](#)
 - [Charity Shops](#) Norwood owns and operates charity shops in and around North London in Barkingside, Borehamwood, Edgware, Golders Green and Southgate.
 - [Corporate Partners](#)
 - [Social Enterprises](#)
