

Social Enterprises

Norwood works with adults with learning disabilities to develop small enterprises that will offer people the opportunity to be trainees or employees and learn the skills of that trade and other relevant work skills.

For more information about our Social Enterprise projects click on the links below.

- [Norwood Future Clean](#) Norwood Future Clean, part of our Supported Employment programme, is a fantastic new training project which gives people with a learning disability the opportunity to gain important work skills and some business experience.
- [Norwood Gifts](#) Norwood Gifts is proud to offer a unique collection designed and hand-crafted by adults with learning disabilities. It includes bespoke jewellery items, canvas artwork and key rings, designed for customers with a variety of tastes.
