

NORWOOD

Hope

**Helping children
reach their potential**

Hope is Norwood's dedicated thinking skills centre which helps:

- students aged 3-19 who have learning or developmental difficulties
- gifted underachievers to realise their learning potential

The centre supports children who are struggling at school or who are not currently at school.

Services Offered Include:

- Thinking skills programmes
- Instrumental Enrichment
- Dynamic assessments
- Occupational assessment and therapy
- Speech and language assessment and therapy
- Consultations and advice
- Training packages for professionals and parents
