

## What we do

**Norwood offers a vast range of services designed to meet the needs of people coping with all kinds of issues.**

You could be going through a divorce or bringing up children on your own. Maybe your child's teacher has told you they've noticed some disruptive behaviour.

Perhaps you have child with a learning disability or maybe you're living with a learning disability yourself. Or suspect a member of your family is being abused, physically or emotionally.

Each year Norwood supports thousands of people whatever the issue. We operate an open door service that's only ever a phone call away.
