

## Supported Employment Service

Norwood supports adults with learning disabilities to live fulfilled and independent lives. Acquiring new skills and being included in the workplace is part of this; bringing increased self-esteem, confidence and inclusion in the wider community to individuals where appropriate.

As part of a Person Centred Plan, we help individuals to access training and employment opportunities, develop their skills, and where possible, to find jobs.

What we offer:

- [The supported Employment Work Experience programme – click here for further information](#)
- [Supported paid work search and on the job training – click here for further information](#)
- [Training and qualifications – click here for further information](#)

For more information about jobs and training at Norwood, or if you are an employer who would like to get involved with our Supported Employment Service, please contact Norwood Direct on:
