

## Services at Binoh

- [Art Therapy](#) Art Therapy is the use of creative materials for self-expression and reflection in the presence of a qualified Art Therapist. Clients do not have to be skilled at art.
- [Educational Psychology](#) Educational Psychologists (EPs) are trained to work with children who are experiencing difficulties in school, and to advise parents and teachers on the best ways to help children to overcome these difficulties.
- [Occupational Therapy](#) Working with children who have developmental or educational difficulties.
- [Religious Educational Services](#) We provide support for Jewish Studies and for children with multilingual Hebrew and Yiddish language requirements.
- [Speech and Language Therapy](#) Speech and Language Therapy aims to develop children's speech, language and communication skills. Difficulties in these areas are commonly found in pre-school and school aged children and often impact on their educational and social development.
- [Teaching Services](#) The Binoh Teaching Service specialises in working with pupils with a wide range of special educational needs.
