

Norwood Nursery opening in Hendon

The Norwood Nursery provides an inclusive service for children, both with and without learning disabilities, aged between two and five-years-old. The children play and learn together in a bright, warm and friendly environment, benefiting from the excellent facilities which include specialist equipment within an adventure playground, a sensory room, a sensory garden and a soft play room. Within this setting children are able to learn to socialise and interact, as well as have an opportunity to express themselves and discover their own interests.

The children are able to benefit from the expertise of our Special Education facilities at an early stage in their learning and development. The children and their parents have access to support and advice from Educational Psychologists, Occupational Therapists, Speech and Language Therapists and Family Support Workers based on site.

The Norwood Nursery offers:

- Dedicated, Early Years qualified staff.
- Education through structured play, to incorporate the Foundation Stage curriculum.
- Encouragement for children to become active members of family and community.
- A sensory room and soft play area.
- An adventure play area and sensory garden.
- Freshly prepared Kosher lunch and snack.
- Access to support and advice from Norwood's on-site educational and therapeutic services.
- Extra support for children with special or additional needs.
- Easy access building on one level.
