Working for Norwood is both a challenging and rewarding experience, and we strive to ensure that every single employee has the chance to fulfil their potential.

Norwood offers many different employment opportunities. Some involve working directly with people with learning disabilities, and children and families in need, while others are geared more towards providing support to the organisation in a traditional office environment. We also provide a wide range of training and development opportunities for our staff, which stems from our belief that every person has the right to improve the quality of their life and achieve their goals.
